(c) whether the Committee on Disputes has looked into this matter and if so, with what results ;

(d) whether the licence fee paid by MTNL was treated as taxable revenue and would not be covered under the standard deductions; and

(e) if so, the details thereof ?

THE MINISTER OF COMMUNICATIONS (SHRI RAM VILAS PASWAN) : (a) to (e) A dispute has arisen between Mahanagar Telephone Nigam Limited (MTNL) and the Income Tax Department over some income tax claims raised against the former.

Income tax Department has disallowed the license fee paid by MTNL to Government of India as a tax deductible business expenditure. As a result, over and above the taxes already paid by the company, IT authorities have raised additional demand of Rs. 91.39 crores and Rs. 209 crores for the Assessment Years 1996-97 & 1997-98 respectively. MTNL has disputed both these demands.

The Committee on Disputes has allowed MTNL to appeal against the orders of Income Tax Department for the Assessment Year 1996-97 in the Income Tax Appelate Tribunal. For the year 1997-98 the matter is before the income tax appellate authority.

The license fee paid by MTNL to the Govt, of India was treated as a tax deductible expenditure from 1986-87 up to 1994-95, a period of 9 years. Since the license fee payment is a precondition for MTNL to be in the business, the expenditure on this account has to be treated as valid business expenditure U/S 37(1) of the IT Act. It has been rightly allowed by IT authorities in the previous years as a legitimate tax deductible business expenditure. However, for the year 1996-97& 1997-98 the license fee paid by MTNL has been treated by the IT authorities as taxable revenue, which MTNL has disputed.
